

Michelle Reimann

Michelle brings six years of experience in real estate, beginning with holiday letting and property management before joining the sales team at Cairns Property Office. Prior to Real Estate, Michelle worked for Advertising and Production companies in Melbourne and Tokyo, which has attributed to her excellent customer service and commitment to work hard, listen and follow through. She provides quality service to build relationships with clients and more importantly, maintain those relationships by communicating effectively.

“Having migrated to Australia from Japan in 1991, I witnessed Cairns transform over the past 30 years – from a small seaside town with just a one-lane highway into a cosmopolitan city that retains its small-town feel. My intimate knowledge of this region, and my experiences of having lived here most of my life have given me the enthusiasm and desire to make my home, your home.”
