

Renee Straguszi

Real Estate is in Renee's blood. Growing up, her father was the Principal of Ray White and proudly led and curved the Cairns market during the 90s and early 2000s before establishing a development company.

After years of running her own businesses, helping clients achieve the best results for their hopes and needs, she joined the team at the Cairns Property Office - the largest independent Real Estate agency in Cairns.

Renee forges strong connections with clients and knows the local area and industry. She understands positioning and marketing to ensure strong returns.

Her strong business background and skills in communication mean Renee can listen to, interpret and articulate client messages to deliver outcomes.
